The square footage stated herein is calculated from the exterior boundaries of the exterior walls to the centerline of interior demising walls without deductions for cutouts, curves, or architectural features. The definition of "Unit" and the calculation method to be relied upon is set forth in the Developer's prospectus and the method set forth in the Developer's prospectus may result in a square footage calculation less than the method used here. Consult the Developer's prospectus to understand the calculation of the Unit square footage and dimensions. Dimensions and Unit configuration may change during construction. Depictions of furnishings, fixtures Vand other items of personal property are not included with purchase. The illustrations and images are conceptual.
